

SoCoBio Application Questionnaire			
<i>Please complete and attach to USoton application form</i>			
Name (Surname or Family Name: Other Names in full)			
1. I am applying for a studentship in the following themes			<i>check <u>all</u> that apply</i>
Understanding the rules of life			
Bioscience for sustainable agriculture and food			
Biosciences for renewable resources and clean growth			
Biosciences for and an integrated understanding of health			
2. I am applying for an industry co-funded project			Yes/no
Please indicated below the industry co-funded studentship you are applying to			<i>Check box(s)</i>
2	Role of serotonergic receptors on cell-specific modulation of immune function.		
3	Dynamic modelling of synthetically lethal pathways to enable the development of cancer therapeutics.		
4	Achieving micronutrient security in a post pandemic and post EU-exit world – “Parsnips as a superfood”.		
3. I am interested in iCASE projects			Yes/no
4. I am applying for projects in the following SoCoBio Partner institutions <i>check <u>all</u> that apply</i>			
University of Southampton			University of Kent
NIAB-EMR			University of Sussex
University of Portsmouth			
5. I consider I am a Home student for BBSRC funding purposes			Yes/no
To be classed as a home student candidates must meet the following criteria			
<ul style="list-style-type: none"> • Be a UK National (meeting residency requirements), or • Have settled status, or • Have pre-settled status (meeting residency requirements), or • Have indefinite leave to remain or enter 			
6. I consider I am an international student			Yes/no
UKRI has updated their eligibility criteria for international students. From the 2021/22 academic year international students will be eligible for all UKRI-funded postgraduate studentships. This includes full award funding (stipend to support living costs and fees at research institutions UK rate), but excludes international fees set by universities.			

Currently SoCoBio does not have any institutional bursaries to fund the difference between home and international fee rate.

7. If you answered yes to questions 6, please indicate how you will finance the difference between home and international fees.

Please ensure you provide the following information in your **personal statement** within the USoton application form

- Why you are applying for the SoCoBio programme
- How your previous experience (academic, professional or in other fields – we welcome students from a broad range of science-related backgrounds) has equipped you for a biosciences research degree.
- The skills, interests and motivation that make you a strong candidate for a research degree.
- How SoCoBio research training would contribute to your career goals and long term ambitions.
- Why you would be a good addition to the research community at SoCoBio

I agree with personal data contained in this form being processed by the SoCoBio DTP institutes for the purposes of administering the scholarship competition

To the best of my knowledge, the information on this form is accurate and complete. Please note that SoCoBio reserves the right to refuse admission or to terminate a student's attendance should it be discovered that they have made false statement or has omitted significant information.
